Lander, in a most impressive manner christened a loving cup presented by the Presbyterian Sabbath School to their beloved superintendent, Mr. Charles Wheeler, and as the cup passed from guest to guest each expressed a loving wish for the health and happiness of Mr. Wheeler.

## Wet or Dry.

In spite of the lesson of the last State election in Kentucky the question of "Wet or Dry" still seems to be an active force in Kentucky politics, fraught with the same danger to party success and carrying with it more bitterness and more distinctively drawn lines than between Democracy and Republicanism. In Marion county in the nomination of county officers in the Democratic primary, according to the reports sent out from Lebanon, the line up was between those who favor the saloon and those opposed to it and the result was heralded as a "wet" victory. In Warren county, where a primary election was held by the Democrats last Saturday the same issue was forced to the front and Mr. Denhardt, the "dry" candidate for county judge, was nominated by a handsome majority. In other counties the same question is likely to cut a big figure in the nomination of county officers. In nearly every instance this fight is being made in counties that are "dry" and they seem to be made without a sufficient consideration of the final election next November. Where the "wets" win in the primary there is a likelihood of the ticket being defeated by the temperance people voting for the Republicans and where the dries win the nomination they are in danger of the same fate by the wets voting with the Republicans. Both sides are fooling with fire unless they propose to make the temperance question instead of politics the determining matter in the selection of county officers.—Elizabethtown News.

## A Religious Author's Statement.

For several years I was afflicted with kidney trouble and last Winter I was suddenly stricken with a severe pain in my kidneys and was confined to bed eight days unable to get up without assistance. My urine contained a thick white sediment and I passed same frequently day and night. I commenced taking Foley's Kidney Remedy, and the pain gradually abated and finally ceased and my urine became normal. I cheerfully recommend Foley's Kidney Remedy. New Stanford Drug Co.

Miss Addie Haggard, aged 24, was run down and killed by the North bound mail train at the North end of Fishing Creek trestle Wednesday, Dec. 30. She had walked the trestle with Mrs. Geo. Rigney, being told before they started across that it would be 16 minutes before the train was due. They thought they could get across. No. 2 being ahead of time caught them before they got across. Mrs. Rigney got out on the side of track and saved her life by a close call. Miss Addie, thinking she could get to the end of trestle by running, started to run but was caught at the end of trestle by getting her foot fast. She was a good girl and loved by all who knew her. At an anti-saloon meeting in Versailles, the Woodford Sun reports Rev. Jos. Severance as saying that nine out of every 10 in the penitentiary laid the blame of their downfall on the liquor business. Curt Jett, the Breathitt county murderer, had told him a few days ago, he said, that if it had not been for whiskey drinking he (Jett) would in all probability be a free man and an honorable citizen to-day. Recently Mr. Severance asked an audience of 700 convicts how many, if they were out, would vote to close the saloons. All stood up. He then asked how many were in favor of open saloons and not one stood up. They all either told the truth, said Mr. Severance, or, if they were in favor of saloons, they were ashamed to acknowledge it. Mr. Severance, in conclusion, made a plea for the protection of the girls. They need it far more than the boys, said he. A drunken son-in-law is worse.

E. C. WALTON

JUDGE J. M. BENTON overwhelming defeated J. Smith Hays for the democratic nomination for circuit judge in the 25th or Richmond district, carrying all except two of the 60 precincts. In their home county of Clark, Judge Benton got 1,366 votes to Mr. Hays' 594, which shows the high esteem in which the judge is held in his home. We congratulate Judge Benton on his magnificent race and the people of his district on the good judgment they displayed.

UREY WOODSON, editor of the Owensboro Messenger, who has gotten too big for his little pants since he was made National Committeeman, makes this unkind fling at the country members of the tripod: "The really business-like Kentucky papers did not suspend for Christmas. Many of those that did suspend afforded their readers a much-needed relief."

JUDGE A. J. G. WELLS, of Calloway county, was appointed a member of the Board of Control to succeed Dr. Milton Board, whose term expired. The selection is a most satisfactory one to all lovers of law and order. No man in the State has done more to break up night riding than the gentleman who has just been honored by Gov. Willson.

A NATIONAL mass-meeting will be held January 7 in New York to express the sympathy of America for Italy in her present distress. President-elect Taft has been asked to preside. Italian opera stars will sing and moving pictures of the stricken district will be used to illustrate a lecture by Prof. Ferraro.

THE editor of the Kentucky State Journal, Frankfort, Mr. W. P. Walton, has been appointed a member of the Lincoln Centenary Committee by Gov. Willson. This is the second office Mr. Walton has ever held, the other being clerk of a Sunday school in old Virginia.

THE store of Edward Meyer, of Christy, Ind., was dynamited and partially wrecked. Meyer had been active in fighting saloons and is a strong law and order man. He says he will spend every cent he can command in an effort to bring the guilty parties to trial.

THE Missouri Legislature will convene Wednesday. The session promises to be a warm one as it will elect a United States Senator and a lieutenant governor. The contest over these two offices promises some political entanglements.

THE Railway Age says that there were 3,214 new miles of railroad laid last year, against 5,212 in 1907. This is not so bad when we come to consider that a panic covered the land like the waters do the great deep.

THE temperance people are jubilant over the fact that 41,000,000 gallons less whisky were made last year than the year previous.

MR. BRYAN is popular in Borden county, Texas. He got every vote cast in that county at the November election.

### POLITICAL.

At a meeting of prominent democrats at Topeka, Kansas, Bryan's election to the presidency in 1912 was advocated. President Roosevelt has sent to Congress a message urging a liberal appropriation for the relief of the earthquake sufferers.

Representative Theodore E. Burton was Saturday chosen Republican nominee for United States Senator from Ohio by the joint caucus. The election will be held January 12.

Congressman Theodore E. Burton, of Cleveland, will be the next United States Senator from Ohio, Senator Foraker and Charles P. Taft having withdrawn from the contest. Mr. Burton will be declared the nominee on Jan. 12th.

The attendance at the New Year's reception at the White House broke last year's record, over 6,000 people being present. The diplomatic corps was headed by the Italian Ambassador. The Chinese Minister was not present, owing to the death of the Dowager Empress.

### MATRIMONIAL.

Miss Hallie Ball and George Hatcher, both of Lancaster, were married at the Presbyterian parsonage there by Rev. Brown.

John Faulkner and Miss Maude Hatfield, of the Highland section, were married on the 31st. Both are popular young people of their section.

In the 18 years he has lived at Bristol, Tenn., Rev. Alfred Harrison Burroughs, known as the "wizard parson," has married 2,811 couples. A great many of them were elopers from Virginia and West Virginia.

The following dispatch is sent from Lexington: Robert E. Moreland, well-known horseman, and Miss Ida O'Brien, daughter of the late Dan O'Brien, married in Cincinnati this afternoon. Mr. Moreland is known by horse show lovers throughout the country, having exhibited Edna Mae, Bourbon Prince and other famous horses. He is connected with the local firm of Harbison, Patterson & Jewell. Mr. Moreland is a brother of Mrs. W. C. Shanks, of this place.

## IN NEIGHBORING COUNTIES.

Jack Price, aged 78, is dead in the Woodstock section of Pulaski.

Miss Gertie Pollard, aged 17, is dead at Lancaster after a long illness.

Miss Artie Morgan, of the Mt. Olivet section of Casey, is dead, aged 60.

R. M. Barry has bought for \$5,000 the Bosworth Block at Middlesboro.

Leroy English, a well-known farmer and a former deputy sheriff, died suddenly at Nicholasville.

Mrs. George Likings, wife of a prominent Boyle county farmer, gave birth to triplets—two girls and a boy.

John Riley accidentally shot and dangerously wounded himself while putting his pistol in his pocket at Fork Ridge, Bell county.

Ray Farmer fell from an L. & N. train at Corbin and was instantly killed. He was a son-in-law of John Jones, the hotel man of London.

Bob Stovall was given a life sentence by the Knox circuit court on the charge of killing Officers Smith and Brooks in the fight at Artemus some weeks ago.

Shelby Best and Gilbert Tyler, neighbor farmers of Boyle, quarrelled over a trivial matter and fought. Tyler being stabbed in the lung. He also was stabbed in the abdomen and left shoulder.

Much has been very appropriately said of the able and fearless manner in which County Attorney J. E. Robinson prosecutes criminals and guards the interests of the county. We endorse every word of it and give notice that it would be folly to try to defeat him next November.—Lancaster Record.

After an examining trial lasting three days, George Miller and his son, Taulbee Miller, were held to answer under bonds of \$5,000 each, charged with the killing of Jno. Chadwell at Viva, Laurel county, on Christmas day. Ben Miller, another son, was dismissed. In default of bond, both men remanded to jail.

Deputy United States Marshal Mayes, of Owens county, with a posse has gone to Stearns with warrants to arrest Perry Simpson and his lieutenants. Mayes has the reputation of being one of the most fearless men in the Kentucky mountains, and it is predicted that should Simpson and his crowd resist arrest, more bloodshed will follow.

The People's Bank of Mt. Vernon, incorporated as successor to the bank of the same name, which was a branch of the Citizens Bank of Brodhead, opened for business Jan. 1 in its splendid new \$6,000 building. It starts with a capital of \$20,000 and deposits to the amount of \$40,000. U. G. Baker is president and M. B. Salin, cashier. Mt. Vernon has two banks, both solid institutions.

### CHURCH MATTERS.

Rev. T. W. Barker will preach at Neale Creek Sunday at 3 P. M.

Rev. C. W. Campbell has been called to the pastorate of the Christian church at Mt. Vernon.

Rev. C. A. Tague, Kentucky Conference Evangelist, will preach at the Methodist church next Sunday morning and night. He spent five or six years in Japan. His sermons will be very interesting.

David M. Sweets, D. D., pastor of the First Presbyterian church of Shelbyville, has been elected to the editorship of the Christian Observer, published in Louisville, and it is highly probable that he will accept.

The meeting conducted by Rev. Harbin and Guice closed Friday night. The visible results were not as great as some meetings that have been held here but we believe time will prove that it did more good than many others at which there were a large number of conversions. There is a better feeling among the pastors of the various churches and church members generally have gotten closer together, while many who have never professed religion and others who have done so and fallen by the wayside, have been put to thinking as they were never before. Revs. Harbin and Guice are Godly men. The former is perhaps the ablest preacher ever engaged in a meeting here, while the latter is the sweetest singer in the evangelistic field that we know of. His solos were sublimely beautiful while his choir leading was excellent. Immense crowds attended their every service and many times standing room was above par. It was a great meeting and the good accomplished by Revs. Harbin and Guice's sojourn here is worth much to the community. They will begin a meeting at Middlesboro next Sunday and the people of that thriving little city should turn out en masse at the first service. It will be at Middlesboro as it was here, the longer the meeting lasts, the larger the crowds.

A posse of United States Marshals and State Militia failed to locate Berry Simpson and his crowd of refugees after a two-days' search in the Whitley county mountains. It is reported that Simpson and his followers have made their escape.

There is no case on record of a cough, cold or la grippe developing into pneumonia after Foley's Honey and Tar has been taken, as it cures the most obstinate deep seated coughs and colds. Why take anything else. New Stanford Drug Co.

Robert Smith, a deputy sheriff of Knox county, who was shot last week in a row with Negroes, is dead. John Ward, a Negro, who was shot by Smith in the melee, is not expected to live.

The Indiana Legislature will convene Thursday. It will elect a Democrat to the United States Senate to succeed Senator James A. Hemenway, Republican.

The worst probably has been told of the earthquake dead in Italy and public attention will turn now to the survivors.

## Winter Goods.

January 1st. finds us with some Winter goods on hand and we will offer there at astonishingly low prices. The Winter is yet before us. Come and see the great saving at this store  
Cloaks, Skirts, Furs, and heavy goods must go.

## The Future

We must look to. The year just passed has done us all the good or evil it can. In some respects it has been a remarkable year as it has brought with it the usual unsteadiness in business affairs attending presidential years. Once more let's put our shoulders to the wheel and work together and success is sure. We thank you for your patronage in 1908 and ask a continuance for 1909.

## Seasonable Goods

for white sewing next week we will place on sale a big line of white goods laces, embroideries, and etc.  
We have some special values for you. Come, look.

### Weak Women

To weak and ailing women, there is at least one way to help. But with that way, two treatments must be combined. One is local, one is constitutional, but both are important, both essential. Dr. Shoop's Night Cure is the Local. Dr. Shoop's Restorative, the Constitutional. The former—Dr. Shoop's Night Cure—is a topical mucous membrane suppository remedy, while Dr. Shoop's Restorative is wholly an internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all nerve, all tissue and all blood elements. The "Night Cure", as its name implies, does its work while you sleep. It soothes sore and inflamed mucous surfaces, heals local weaknesses and discharges, while the Restorative, onces nervous excitement, gives renewed vigor and ambition, builds up wasted tissues, bringing about renewed strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablets or Liquid—a general tonic to the system. For positive local help, use as well.
